Re: Ballardsville Fire Protection District

Dear Judge Voegele:

This letter is in regards to the KRS 65A.100 regulation to report the 2014 tax rate to the county. The Ballardsville District board of trustees established a 2014 Tax Rate for Real and Personal Property at ten (10) for each \$100.00 Valuation and tax rate on Motor Vehicles and Water Craft at ten(10 ) cents for each \$100.00 valuation. These are the same tax rates which the Ballardsville Rural Fire Protection District has used for the last several years now.

Please let me know if your office would have any questions or additional information.

Sincerely,  
Chief Stephen Fante  
Ballardsville Fire & Rescue Department.
